your healthiest skin. ever.

At Dermalogica, we believe that proper skin care is a daily necessity, just like brushing your teeth! That's why we have devoted the last 25 years to developing the products, education and treatments necessary to help you achieve your optimum skin health.

You see, with Dermalogica, we know that healthy skin is beautiful skin, and that's what you want. So we'll never waste your time with talk about pampering, indulgence or overblown miracle promises – instead, you can count on us to deliver results. Every time.

Our therapists are among the best trained in the industry, and each have postgraduate certification from The International Dermal Institute. What does that mean for your skin? Quite simply: **Real Treatments. Real Answers. Real Products. Real Results!**
